SILENCER

Hydrovac & Industrial Turbo Nozzle

Engineered for hydrovac excavation – delivering powerful cutting action with minimal noise and vibration

PERFORMANCE

- 4300 PSI Rating (Tested to 6600 PSI)
- 205°F/96°C heat rating for versatility.
- 0° orifice in a 10° rotation for precise application.
- Minimal vibration and low noise for operator comfort.

CONSTRUCTION

- Full stainless steel inlet and body construction.
- Replaceable machined cover for convenient maintenance.
- Advanced coin filter system for enhanced protection.
- Maximized shock impact technology for increased durability.
- Carbides and seats crafted from tungsten carbide
- Hi-Vis yellow cover for visibility and safety.
- 1/2" MNPT Inlet for compatibility.

SEVENTEEN REFRESH KIT for Silencer Nozzle

- ✓ Orifice Sizes: 4.0, 6.0, 8.0, 9.0, 10.0 & 12.0
- ✓ Full stainless steel Inlet & hard anodized body
- ✓ Kit includes O-rings, SEAT and full rotor system

SEVENTEEN HD COVER for Silencer Nozzle.

- ✓ Hi-Vis Yellow
- ✓ 1/4" thicker nose to extend life of the nozzle
- ✓ Cylindrical body design reduces spray back

SEVENTEEN COVER UPGRADE for Silencer Nozzle.

- ✓ Hi-Vis Yellow
- ✓ Standard replacement for Silencer
- ✓ Sleek cone tapered shape.

TITAN

The Hydrovac Lance

Engineered for superior strength, safer operation, and longer service life.

Built to last up to 6X longer

Titan LW Series

LIGHTWEIGHT ALUMINUM

- ✓ 1/2" NPT 303 stainless steel ends
- ✓ Deep socket port design
- ✓ Available in 3', 4', 5', 6', & 7' lengths
- ✓ Anodized option for corrosion & wear resistance

TITAN

THE HYDROVAC LANCE

Titan HD Series

HEAVY-DUTY STAINLESS

- ✓ Full stainless steel construction
- ✓ 2-3 lbs heavier for added durability
- ✓ Maximum strength in harsh conditions
- ✓ Reduced flex under heavy load

TITAN LANCE ACCESSORIES & UPGRADES

ARMOR GUARD

Threads onto any wand/lance. Magnetic quick-release with sliding guard for protection against water and debris.

EASY GRIP

Maximum comfort, control, and efficiency for hydrovac and industrial operators.

TOOL GRABBERS

Quick-access universal holder that keeps lances and wands secure and stable.
